STEP 1. REGISTER

Registering for the Virtual Plunge means you can Plunge wherever and whenever you want!

- This year you have two Plunge **categories: individual and group.**
- Set your fundraising goal (awards will be given for most raised in each category)
- Ask your friends, family, and co-workers to join your team. The bigger the team, the better!

STEP 2. FUNDRAISE

- We get it. Fundraising can be hard and asking for money can be awkward. Luckily, you’re doing it for a great cause!
- All of the money you raise directly supports Hilltop Christian Camp’s 75 FUND - the BIG Zipline Project!
- **By February 13th – Donations need to be received by Hilltop Christian Camp by this date to be counted for voting.**

STEP 3. PLUNGE!

- Once you’ve reached your fundraising goal, it’s time to Plunge! Your creativity can shine during this Virtual Plunge, all we ask is that you stay safe!
- **By February 9th - Make sure you get a video of yourself doing the virtual Plunge and send it to hilltop@hilltopchristiancamp.com!** We will edit into one video and upload on camp’s Facebook page when we are ready to open voting for most best costume(s) and best plunge!

STEP 4. BASK IN YOUR GENEROUS GLORY

Your generosity helps Hilltop Christian Camp continue to provide a place where Christ and a great time go together – where people can encounter Christ in new ways. Your support means everything to us!

Pick your team, design your costume, collect donations, and take the plunge for Hilltop!

PLEASE BE RESPONSIBLE AND SAFE WITH YOUR VIRTUAL PLUNGE!

BE SAFE! Attempting to jump into a lake, river or any other body of water may cause injury. Do not do anything that could physically harm yourself or others. Hilltop Christian Camp is not responsible for any injuries that occur while participating in the Virtual Plunge.
