HILLTOPICS

"Where Christ and a great time go together!"

FROM THE DIRECTOR'S DESK

Camp is only 7 weeks away!!! I am excited for another summer at Hilltop getting to see God move in the lives of our campers. God is going to do amazing things this summer as our campers focus on Light. This summer they will learn that Jesus is the Light of the World, and that the darkness cannot overcome His light! They will learn that Jesus is the Light of Life and with Him we receive salvation and New Life! Then as we close out the week of camp we focus on Matthew 5:14 where Jesus tells us, "You are the light of the world..." We will challenge campers to go home and let their light shine before others so that their friends, family, school and community will glorify their Father in heaven.

We completed the drainage repairs to the front of Stuckey's including replacing the damaged walk-in freezer. Huge thanks to Abram Construction for taking care of the entire project for us. The cost for everything ended up being much higher than we initially anticipated but we have seen over the past few weeks of constant rain that it is working so we know this is a long-term fix to a problem that has existed for a really long time. Thank you to everyone who has donated to this project. If you can make an additional donation to camp to help cover the cost for this emergency repair, it would be greatly appreciated.

To finish purchasing the needed chairs for the dining hall, we still need to raise an additional \$3400 dollars. Purchasing a chair for our campers is a great way to help. Each chair costs \$25. There are several ways that you can donate to camp. You can mail a check to camp or donate online via our website. On the website, click the "Get Involved" tab, and then click donate. You can make a one-time donation, set up a recurring donation, and designate your donation to our projects or as a general donation. You can also help camp when you shop at Kroger. You can link your Kroger rewards card to Hilltop Christian Camp and camp will receive a donation through Kroger Community Rewards. You can purchase an item from camps Amazon Wishlist. You can also donate via Thrivent, and many other organizations that will send funds directly to non-profits. We can also donations of stocks through our brokerage account. If you have any questions or need more information about how to donate, please give us a call at the office.

God is doing amazing things at Hilltop, and we know this will be an awesome summer! Thank you for all you do to help make camp possible for so many!

P.S. As we head towards summer, please consider making a one-time donation or committing to donate monthly to support the ministry that happens at Hilltop. To make sure camp is available to everyone, we only charge \$260 for a week of camp, even though we know the actual cost for a week of camp is much higher. Your support is vital to making camp available to our campers every summer!

SPRING CLEAN UP & WORK DAY

SATURDAY, MAY 4th

WE NEED VOLUNTEERS TO HELP - It's time for Spring cleaning to get ready for summer campers! It's an absolute work of heart!!!

Bring a friend & bring a lunch! Come help open the pool, raise tents, wash boats, deep clean dorms, plant flowers, split firewood, build benches, weed eat trails, pressure wash, paint, and serve your heart out for camp. We will have everything needed to complete the work.

We will work from 9AM to 4PM. If you have questions please call the office 812.988.4991 Looking forward to working alongside you!

Happenings & Horizons

HAPPENINGS ... *Plans for the future!*

The emergency drainage repairs in front of Stuckey's & freezer replacement was completed in time for all this Spring rain. Please continue to pray for the replenishment of the funds used for this project. We want to move forward with plans to increase camper capacity. Replenishing these funds is vital to those plans. Consider donating to help move forward with those plans.

Needs & Prayers:

- We are still hoping to raise the funds to replace the dining hall chairs with easy to maintain thicker, plastic chairs.
- The \$50,000 challenge for the new property was met and we have \$18,000 left to raise to completely pay it in full.
- We are praying for the replenishment of funds to move forward with plans to increase camper capacity.

HORIZONS ... *Plan a visit to camp!*
