"Where Christ and a great time go together!"

FROM THE DIRECTOR'S DESK

Happy New Year! I pray that you had a Merry Christmas spent with family and friends celebrating the birth of our Savior. With the new year comes new opportunities and new struggles, my least favorite being that I have to remember to write 2025 instead of 2024 on everything. It is such a small thing but for the next several weeks, it will drive me crazy as I know I will catch myself over and over again writing down the wrong year. It is such a small thing, but often those small things can be the biggest irritations for us. And if we are not careful, that little thing we allow to be a big irritation even though it is such a little thing, can cause us to begin to lose hope and faith. If we are not careful even the small things can cause us to feel overwhelmed and if we are not careful, hopeless. God reminded the Israelites through the Prophet Isaiah that no matter what is happening, even in the small struggles, God is with us.

Isaiah 41:9b-10: "You are my servant, I have chosen you and not cast you off"; fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.

God is with you, He is for you. He loves you, like in the big struggles you face, God will strengthen you even with the small struggles in life. Look at the words God says again: *For I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.* No matter what you have struggled with in 2024, and no matter what you may face in 2025, God is helping you, God is strengthening you and God is holding you up! 2025 brings new opportunities for us to deepen our relationship with Christ. Make sure that you are taking every opportunity you can this year to focus on Christ. Spend time each day in God's word, spend time every week worshipping together with others, get out and serve your community, make an effort to share Christ with everyone you meet. Make this the year that you grow deeper in Christ, making Him the most important thing in your life! There is still time for your camper to register for our Winter Wonder Camp for Junior campers and our Junior/Senior High Retreat. And registration for summer camp opens January 2. Hilltop is a great place for your camper to come and learn about Christ and go deeper in their relationship with Christ.

Thank you for all you do to help make camp possible for so many. Your donations and support are what makes that happen!

Blessings in Christ,
