

2025 MAY

HILLTOPICS

"Where Christ and a great time go together!"

FROM THE DIRECTOR'S DESK

It is May which means our first camp session is only a month away. There is lots going on between now and then with Summer Staff arriving for training, Family Day, several more workdays and lots of preparations as we finalize everything, so we are ready to greet our campers for their best week of summer!

Summer brings us amazing opportunities to share Christ with campers and we don't want to miss a single opportunity. One huge help is all the volunteers that come out and help serve during our weeks of camp. We depend on our volunteers and the summer wouldn't be as great without so many coming and serving. Serving at camp is something anyone can do and I guarantee will be a life-changing experience. We are still looking for volunteers to help serve during several of our weeks of camp, volunteers to help serve in the kitchen for one meal or for several meals. We need volunteers to come during the summer and help grill on Sunday evenings and Fridays at lunch. We can also use volunteers to come mow and help keep the grounds looking great. There are lots of ways to help all summer, and we need more awesome people like you to volunteer to come and help.

I also want to ask you to please be in prayer for our campers, summer staff and volunteers. Pray that our staff and volunteers will take advantage of every opportunity to share Christ with our campers and that our camper's hearts will be open to hear the gospel message this summer!

I can never say it enough, Thank you! Thank you for all you do to help make camp possible for so many. Your donations and support are what makes that happen!

Living 10 for 2!

Blessings in Christ,

Ryan Croft

HORIZONS ... MEET THE SUMMER MISSION & MISSIONARIES

LIBERTY VISIONS LEARNING CENTER - Prince & Chipo Makaya

About Liberty Visions Learning Center (LVLC)

Liberty Visions Learning Center (LVLC) is a cornerstone of the Liberty Visions Family Ministry, located in Mji Wa Huruma, Kenya. The center serves approximately 150 children with a dedicated team of 12 staff members, including 8 teachers, 2 cooks (who also serve as cleaners), 1 security guard, and Chipo Makaya, who is the Director.

LVLC reaches children from the Mji Wa Huruma and Githogoro slums - areas where most families rely on casual, day-to-day work. Parents often earn a living through domestic help, small-scale vending, or operating motorcycle taxis. For these families, access to quality education is out of reach - LVLC exists to change that.

LVLC's primary mission is to provide affordable, high-quality education to children in underserved communities, laying a strong academic and spiritual foundation for lifelong success. This summer Hilltop campers will have the opportunity to learn about and support LVLC. The mission's current need is to purchase 10 acres of land to build a practical skills learning center. The center will include space for a secondary boarding school & accommodations, a media training center, leadership center, a chapel, and fields for crop & animal rearing. At LVLC, they believe every child deserves a chance to thrive - regardless of where they come from.

Meet the Missionaries

Prince and Chipo Makaya, Zimbabwean missionaries, have served over 20 years to communities in Kenya, East Africa. As founders of Liberty Visions, they have built a ministry that integrates faith, education, and community transformation. Prince leads the media ministry, while Chipo oversees the family ministry. They have been married 33 years and are proud parents to three grown children.

Prince & Chipo will be on-site at camp for the entirety of the camp season to share with campers about the work & ministry that is being done at LVLC.
