HILLTOPICS

"Where Christ and a great time go together!"

FROM THE EXECUTIVE DIRECTOR'S DESK

June is here and so are our campers! We are so excited for everything God is going to do over the summer in the lives of our campers. We entered summer with more campers registered than attended last summer meaning we will have a lot more campers this summer than we have in over 10 years! God is doing amazing things at Hilltop, and we want to continue to praise Him for all He is doing.

Last summer we had a total of 626 campers. Right now we have 690 campers registered and more registrations are coming in each day. Three of our camp sessions, High School Wilderness, Junior 2 and Paintball camp are completely full. If you know someone wanting to come to camp this summer, encourage them to register quickly as several of our other camp weeks are getting close to being full as well. Please also continue to be in prayer for our summer staff, deans, volunteers and especially our campers.

In other great news we are getting even closer to having all our debt paid off. Every week, as more and more of our donors help, we see that amount drop. We are confident that we will be able to celebrate and burn our mortgage at the Celebration Dinner October 9 and 10th. I hope that you will mark your calendar and plan to be here one of those nights as we celebrate Hilltop finally being debt free and what we plan to do next.

I can never say it enough, Thank you! Thank you for all you do to help make camp possible for so many. Your donations and support are what makes that happen!

Living 10 for 2!

Blessings in Christ,

Ryan Croft

MAINTENANCE MINUTE

Well, folks...summer camp is upon us! Kids are everywhere and the sun is finally shining.

In the run up to the 1st day of camp season, there were a lot of you who really stepped up and helped us complete the massive to-do list that was on our plate. I am truly thankful that our good Lord keeps Hilltop in your hearts and minds. A few of the things that were completed are a new missionary quarters, a lot of fallen trees were cut up and moved, the drive was manicured, the grounds were cleaned up, electrical boxes were replaced and an AC unit installed, painting of many walls, a new fountain installed in the lake and flowers planted all over. And let's not forget all of the organizing and cleaning. Because of the faithfulness that all of you volunteers displayed, camp was able to begin.

May the favor of the Lord our God rest on us; establish the work of our hands for us- yes, establish the work of our hands. Psalm 90:17

Thank you on behalf of Hilltop and all of the kids and adults who attend this summer.
