

2025 AUGUST

HILLTOPICS

"Where Christ and a great time go together!"

FROM THE EXECUTIVE DIRECTOR'S DESK

With the end of July comes the end of another summer at Hilltop. It was an amazing summer. We saw God move in awesome ways with our campers. We closed out the summer with 680 campers. The most campers in a summer since 2012! Every year we are seeing more and more campers attend Hilltop as we continue to work to reach as many young people as we can with the gospel message. We had 31 campers who made the decision to give their lives to Christ. And we had 8 campers who rededicated their lives to Christ. 25% of the campers who attended High School week made the decision to either get baptized at camp or rededicate their lives to Christ. It is awesome how God moved this summer in the lives of so many! In addition to all the campers we had over 200 adults that volunteered at camp this summer. Our campers raised over \$7000 for our summer missionaries - Prince and Chipu Makaya of Liberty Vision Learning Center, Kenya. We can't praise God enough for all He did at camp this summer.

Even more great news to share! This summer we were given the opportunity to apply for a planning grant from the Lilly Foundation. This is the first of 3 grants that we are applying for this year from Lilly. For the first grant we were awarded \$149,000 to use for planning and development of our strategic development plan for camp. With these funds we have hired an architect to first get the plans and design renderings for the plans to remodel the Dorm on the Hill. We will be sharing the designs for the remodel and upgrades to the Dorm on the Hill at the Celebration Dinner in October as we will launch the next step in our plans for Hilltop. This will be a complete overhaul of the dorm, updating the bathrooms, building interior, electrical, plumbing and HVAC. Doing this will make sure the dorm building will be a great place for campers well into the future.

Thank you for supporting Hilltop. You are a huge part of everything that happens at camp and we could not do everything we do without your support.

Living 10 for 2!

Blessings in Christ,

Ryan Croft
